ABOUT THE AREA

There are four other popular golf courses within a few miles offering the same lush, wooded settings and spectacular mountain backdrops. At the end of the Mother Lode, Eastern Plumas County has much to tell about the mines, rich in gold, and the 49ers who came in search of fortune. Fish are abundant in the adjacent Middle Fork of the Feather River as well as the alpine mountain streams and over 40 lakes in nearby Lake Basin Recreation Area.
