PLUMAS PINES GOLF ACADEMY

5-Day Golf Academy

Winter is flying by with our opening day of mid April just around the corner. I hope everyone had a wonderful holiday season with 2017 starting off with long, straight drives and a hot putter! Wow! What a winter! It sure is nice to see the huge snow pack and all that water flowing in the rivers. I am getting cabin fever and am definitely ready for spring so we can start teeing it up here at Plumas Pines! The thought of spring gets me excited about the **Plumas Pines Golf Academies** coming up this Summer and Fall.

The dates for this year's Summer and Fall Academies are: **June 4-9, June 11-16, and September 24-29**. The reservation form for these academies is included with this letter. Please note, we accept the first 42 students for each academy based upon the postmark date on the mailed application (**Only mailed applications accepted**). Just a reminder, like last year, the Double Occupancy option only allows for a shared room and a shared bed with a king or queen bed option to be determined by the lodging company only. The Single Occupancy option also has the bed choice determined by the lodging company only. We hope this reminder makes it easier for you to determine your lodging option. We had a great time last year and are expecting this year to be even better. We hope to see you here!

We look forward to welcoming you to the Graeagle area and beginning what should be a special golf experience in the beautiful Sierra Mountains. In the mean time, if you should have any questions or concerns, please do not hesitate to call me any time Monday through Friday from 9:00 a.m. to 4:00 p.m. at (530) 836-1420 or check out our website at www.plumaspinesgolf.com for online tee times, a virtual tour of the golf course and clubhouse, our e-club and much more.

Sincerely,

Brandon M. Bowling, PGA
General Manager/Partner

PLUMAS PINES GOLF SCHOOL

3-Day Golf School Option

The Plumas Pines Golf School was developed from the feedback we received from our students who attended the Plumas Pines Golf Academy. Many students said that they would enjoy a smaller golf school that would provide more one on one time with the instructing professional including a significant amount of on-course instruction. The students also added that if they had the flexibility to choose their own dates throughout the summer for their school while still maintaining the wonderful food and beverage and lodging provided by the Plumas Pines Golf Academy they would have the best of both worlds. This useful feedback helped us to create a more intimate golf school called The Plumas Pines Golf School.
