PLUMAS PINES WOMEN'S GOLF CLUB

February 3, 2018

It is a new year and a new golf season is just around the corner. Thanks to all for your membership and enthusiasm for Plumas Pines Women's Golf Club. I'd like to share some of the business that has been conducted on your behalf during the winter months.

The officers have been working with Janet Grijalva to prepare the PPWGC Booklet- a treasure. This booklet is complete with general information, calendar, roster, and game descriptions.

Thank you to Mary Stonebraker for her work organizing the weekly game format. Thank you to Jackie Luckey for collecting membership dues and organizing the roster. Jennifer Zumbro has been talking with Brandon Bowling about Longboard's and social events. Some changes are in the works and we appreciate that Jennifer will keep us informed. The course is in great shape thanks to the talented staff.

Thank you to the Executive Board for volunteering their time, wisdom and energy to support the ladies of PPWGC.

We have some changes in golf play.

RULES: This is the year for updates and changes to formal rules. Cathy Cianciolo and Mary Peters will attend a PWGA Rules clinic to learn about this and prepare to share their knowledge with us.

RESORT RED PLAY: We have listened to feedback from members who would like more flexibility in weekly play. We are going to have the Resort Reds available to play for those who want to play with flighted groups. When you sign up to play you will designate whether or not you will be playing Resort Reds. The handicaps for Resort Red play will be used for those ladies playing from those tees. Resort Red tees will not be available during tournament days.

MATCH PLAY: The new schedule will be a three-day tournament and the details are in the enclosed flyer. We are encouraging more members to play in this event.

GOLF GENIUS: This is a new USGA TM scoring program that will replace TPP. Cathy Cianciolo will lead us with the implementation of this new program.

We hope for good health and great golf in 2018. Thank you to all of volunteers for choosing to serve as leaders in our Club. We have a fantastic year planned and are eager to get together at Plumas Pines.

Best wishes,

Judy Rossi
