

Plumas Pines Men's Club, Inc.
Board Meeting Notes
August 9, 2018

The meeting was held at Longboards at 1:45 pm. Board members present were: John Donohue, Dave Stone, Frank Motzkus, Travis Humphries, Brad Clark, Kim Roberts, and Charlie Myers.

Past Meeting Notes—July meeting notes were approved.

Membership Report—We have 98 members to date.

Tournament Report—The correct tee ratings are on the wall next to the posting computer and are also found on the GHIN web site under posting scores. These are fairly new and are not reflected on the score cards on the pro shop counter or on the carts. Score card produced by Golf Genius are correct. Slope rating for white and gold tees will produce different course handicaps.

Handicap Report—Kim is monitoring member's postings. Members who do not participate in club championships need to post their own scores.

Treasurers Report—Current checking account balance is \$15,791 and CD is \$5,240. A new computer was purchased for the men's club and is a vast improvement over the old one.

Mountain Classic Report—Seven entries have come in for the Mt. Classic.

Charlie received the food contract however he has not completely reviewed it. Appears the dinner prices have been raised to \$40 per person (much higher than prior year).

Ordering plaques from companies in the valley do not appear to save money (setup costs are high); if local prices are comparable board desires to buy locally.

Local realtors are offering discounts on their rentals for the Mt Classic participants.

Prizes for the Mt. Classic raffle are lower than prior years. Tee sponsors are also lower.

Head Pro—None

Old/New Business—Wall of Fame (tournament winners for the last 20+/- years) has been installed in the pro shop.

Next Meeting—Thursday, August 16th after golf, at Longboards to discuss the Mt, Classic.

The meeting was adjourned at 2:50 pm.
