

PINE WHISPERS
PLUMAS PINES
WOMEN'S GOLF CLUB

May 3, 2019

Hello,

It is with sadness that I send this note to you. Our Plumas Pines Executive Board member, Nancy Bartlett, talked with me today. She shared that her husband, Art Bartlett, passed away. They were at their home in the desert together.

Nancy is doing well and looks forward to returning to Plumas Pines soon. She expressed that she would prefer no cards or calls at this time, please.

Think good thoughts for her and her family. We will welcome Nancy soon to share in friendship and fun golf.

Best Regards,
Judy Rossi, Captain
