## PLUMAS PINES WOMEN'S GOLF CLUB

February 3, 2019

It is a new year and a new golf season is just around the corner. Thanks to all for your membership and enthusiasm for Plumas Pines Women's Golf Club. I'd like to share some of the business that has been conducted on your behalf during the winter months.

The officers have been working with Janet Grijalva to prepare the PPWGC Booklet- a treasure. This booklet is complete with general information, calendar, roster, and game descriptions.

Thank you to Jan Anderson, Jan Enloe, Lori Dierssen, and Scooter Kidwell for their work organizing the weekly Playday games. This new calendar will require you to read your Roster carefully each month and to contact the Playday Chairperson for the month for sign ups and questions. Thank you to Jackie Luckey for collecting membership dues and organizing the roster. Jennifer Zumbro has been talking with Brandon Bowling about Longboard's and social events. Some changes are in the works and we appreciate that Jennifer will keep us informed. The course is in great shape thanks to the talented staff.

#### Membership:

We have 33 Golf members and 9 Social Members. Jackie has been keeping track of folks. We have contacted members from prior years to make sure we have not missed anyone.

Thank you to the Executive Board for volunteering their time, wisdom and energy to support the ladies of PPWGC.

#### April/May Events:

The course will open for us to have a warm up round on April 30. Our Kick Off Nine and Wine is on Thursday May 2 at 3 pm. Our first Play day is May 7 with a 10 am Tee Time followed by a

Board Meeting. The Welcome Breakfast and golf are on May 14 at 8:30 am with golf at 10 am. Connie Raheb will lead us in registering for the 3 Day Eclectic Tournament starting on May 21 at 10 am at Whitehawk.

Please read the Calendar and Roster booklet for details on all of our activities and events. Our Social Members are welcome at all of our events and activities and bring a fun addition to our club.

We have some changes in golf play.

**RULES:** This is the year for updates and changes to formal rules. Cathy Cianciolo and Judy Rossi will attend a PWGA Rules clinic to learn about this and prepare to share their knowledge.

**RESORT RED and additional Combo Tees (aka: forward tees) Play:** The 2018 year provided a lot of experience in setting and playing these new tees on holes 5,8,9,12,17. The Resort Red tees on holes 4 and 13 remain as set. We have listened to feedback from members who would like more flexibility in weekly play. Our Tuesday Playday Team has prepared games and scheduled days for use of all of these Tees. More information about playing and use of handicaps for these Tees will be provided at our Welcome Breakfast on May 14. Resort Red tees will not be available during tournament days.

Course News and Restaurant News:

We have heard encouraging words from Brandon Bowling about the forward tees being rated soon. The Restaurant will be open for lunch on a 4-day schedule, Friday – Monday, for the beginning of the season. Expanded hours will be added as the season get into full SWING! Yuk Yuk!

We hope for good health and great golf in 2019. Thank you to all of volunteers for choosing to serve as leaders in our Club. We have a fantastic year planned and are eager to get together at Plumas Pines.

Best wishes,

Judy Rossi
