

PINE WHISPERS

PLUMAS PINES WOMEN'S GOLF CLUB

April 9, 2019

It is a new year and a new golf season is just around the corner. Thanks to all for your membership and enthusiasm for Plumas Pines Women's Golf Club and the game of Golf. I'd like to share some items of interest.

The 2019 Roster has been mailed and should be your "hands on" guide to the PPWGC activities for the season. Thanks to **Janet Grijalva** for preparing this and the extra pages for easy reading. Please read the Calendar and Roster booklet for details on all of our activities and events. Our Social Members are welcome at all of our events and activities and bring a fun addition to our club.

Membership:

We have 33 Golf members and 9 Social Members. **Jackie** has been keeping track of folks.

Thank you to the **Executive Board** for volunteering their time, wisdom and energy to support the ladies of PPWGC.

The **Invitational Committee** is planning for "**Woodstock in the Pines**" and is excited with the opportunities to create a fun event. Save the Date notes were included in the mailing.

April/May Events:

The course will open for us to have a warm up round on April 30. Our Kick Off Nine and Wine is on Thursday May 2 at 3 pm. Our first Play day is May 7 with a 10 am Tee Time followed by a Board Meeting. **The Welcome Breakfast and golf are on May 14 at 8:30 am with golf at 10 am.** A registration form for the 3 Day Eclectic Tournament is attached.

RULES: This is the year for updates and changes to formal rules. Please take time to familiarize yourself with the new rules. Rule books will be available as needed.

RESORT RED and additional Combo Tees (aka: forward tees) Play: The 2018 year provided a lot of experience in setting and playing these new tees on holes 5,8,9,12,17. The Resort Red tees on holes 4 and 13 remain as set. Our Tuesday Playday Team has prepared games and scheduled days for use of all of these Tees. More information about playing and use of handicaps for these Tees will be provided. Resort Red tees will not be available during tournament days.

PWGA, WGANC and NCGA Collaboration:

PWGA has provided information about this to each of our members through emails. Attached is the latest document for your reading. Please take time to review this information. **Please send me your questions, comments and opinions before May 7 at rossi513@sbcglobal.net.** A vote regarding the decision will be conducted electronically May 10-24. The **Executive Board**

Pine Whispers – April 9, 2019

will be gathering information and preparing to make a decision for casting our one club vote at the May 7 Board meeting. This meeting will be held after golf and is open to all members. Thank you to all of volunteers for choosing to serve as leaders in our Club. We have a fantastic year planned and are eager to enjoy warm weather, friendship and golf at Plumas Pines.

Best wishes,

Judy Rossi

Captain
