## PLUMAS PINES WOMEN'S GOLF CLUB

August 2020

Hi Ladies,

Another month that just flew by. Unfortunately, we have had to deal with heavy smoke and the threat of wildfire. This is something we have to be aware is a possibility, but hope it never actually happens.

**We had our last Captain's Cup qualifying round last Tuesday  
See our August qualifiers;**

**May qualifiers: Sharon Russell - low gross and Judy Rossi – low net.**

**June qualifiers: Jan Anderson - low gross and Cathy Cianciolo - low net.**

**July qualifiers: Carol DeLuca - low gross and Darlene Gibaut and Pat  
Madsen tied – low net**

**August qualifiers: Cindy Donohue – low gross and Laurie Humphries – low  
net.**

**These ladies will play in the final round September 29<sup>th</sup>.**

Last Tuesday we completed our Handicap and Club Championship tournament. The results provided by Jan Anderson, who we had to say farewell to. We will miss you Jan.

Our Club Champion once again is Sharon Russell with a 3-day Gross total of 270  
Runner up is Cathy Cianciolo with a 3-day Gross total of 314

Our Handicap Champion is Jan Anderson with a 3-day Net total score of 226  
2<sup>nd</sup> Net goes to Janet Grijalva with a 3- day Net total score of 229  
3<sup>rd</sup> Net is Judy Rossi with a 3-day Net total score of 237

The winners will receive their BIG BUCKS in October when hopefully there will be an end of season luncheon.

**CONGRATULATIONS TO EVERYONE!!!**

We also had a very nice get together after Tuesday's tournament to celebrate our winners. Thank you to Mary Stonebraker and Doni Burt along with several ladies who helped them out. It was really nice to be able to gather, while social distancing. We had a drawing for the 16 gift certificates that we were unable to use in the Invitational, which was cancelled due to the pandemic. Every member's name was included. If your name was drawn and you were not present you will be notified.

I spoke to Brandon about having another Couples Tournament in September. He reserved our spot for September 20<sup>th</sup>, tee times will start at noon. Please stay tuned and watch for more information.

My Best to you all,  
Laurie Humphries, Captain
