

PINE WHISPERS

PLUMAS PINES WOMEN'S GOLF CLUB

May. 2021

Hi Ladies,

The golf season is in full swing and we are trying to catch up after last years restrictions. As things open up and we are able to meet, we are happy to announce we will be having our General Meeting, as noted in the roster on Tuesday, May 18th. It won't be exactly like we have had in the past, but at least we can be together again.

We will meet at 8:30 on the deck of the golf club. You are welcome to pick up a bite to eat in the snack bar. They have muffins for \$3, Breakfast Burritos for \$8 or a Breakfast Sandwich for \$8. Bring it up to the deck and we will proceed with our meeting. This meeting is for Golf Members and Social Members, so we hope to see many people we have not seen in some time.

As we start the new season this is a good time to remember course etiquette.

1. Be prepared to hit the ball when it is your turn.
2. Play ready golf when appropriate.
3. Two practice swings
4. Learn the rules, we can order rule books or download the app, USGA Rules of Golf.
5. When something happens on the course that you question, play through, you may play two balls to complete the hole, then ask Brandon when you get back to the club house.

There are probably many more than I can think of now. This may be an ongoing List for future Pine Whispers.

More information about our Invitational will be forthcoming. We are happy to have Jennifer Zumbro who has volunteered to chair the Invitational this year. Let us know if you would like to help.

I am also very pleased that Pat Madsen volunteered to be our secretary this year. Good to get some new blood involved.

Best Regards,

Laurie Humphries, Captain
