

**SEVENTEENTH ANNUAL COMBINED ECLECTIC
THREE DAYS OF GOLF OVER THREE COURSES
MAY 2022**

Dottie Hattich and Debbie Pellegrini are coordinating this year's Annual Combined Eclectic. We invite the lady members of Whitehawk Ranch, Graeagle Meadows and Plumas Pines golf courses to sign up for three days of golf and fun! The maximum number of players is 40.

Dates: Tuesday, May 24, Whitehawk Ranch (shotgun start at 10:00 am) \$69 including cart*
Thursday, May 26, Graeagle Meadows (shotgun start at 10:00 am) \$60 including cart*
Tuesday, May 31, Plumas Pines (shotgun start at 9:00 am) \$60 including cart*
*Guest rates. Members pay their own rates at their respective courses.

Entry Fee: \$40 per player for prizes and a box luncheon on the last play day. Players will pay green fees individually at each course. The event is held on the regular ladies' day at each Club. Members at each Club not participating in the combined eclectic will have a regular ladies' day.

Format and Prizes: May 19 handicaps for individual courses will be used. Maximum handicap is 45. The event will be flighted into up to four flights. For the first two days of play, daily prizes will be awarded for low net and low gross per flight. At the end of the three games, the best score on holes 1 through 18 (regardless of course) will be used to determine winners and prizes will be awarded for one low gross and two low net places in each flight plus low gross over the field. Ties will be broken using USGA rules (back nine, last 6 holes, last 3 holes, hole #18, etc.).

A player who is unable to participate in all three days may get a substitute. If the substitute player has a lower handicap than the original player, the substitute will not be eligible for the daily low gross or net prize. If a player chooses not to complete a round due to weather, whatever holes she has played will be used for scoring.

Lunch: Prior to play at Graeagle Meadows, players will be provided a menu to circle their choices for the awards luncheon at the Plumas Pines Golf Course. The luncheon choices include a chicken Caesar wrap, hamburger/cheeseburger, or deli sandwich. Lunch also includes chips, cookie, and a fountain beverage. Please return your lunch selection form to either Debbie Pellegrini or Dottie Hattich either before or after play at Graeagle Meadows. Your box lunches will be available after play and be eaten on the upper outside deck at Plumas Pines. Players may purchase wine and cocktails at the snack bar.

Application and Mailing Instructions: Send to Danie Malher at PO Box 1394, Graeagle, CA 96103. Deadline to apply is May 12, 2022.
